

Griffith Series 400 For Sale **400-5-009**

Griffith chassis # 400-5-009 is a very unique Griffith. The chassis number and car have been authenticated in the official Griffith Registry.

Originally a very stock Series 400, this vehicle was owned by former Griffith Car Club president, Joe Rauh.

Over the time of his ownership, Joe engineered some very nominal and interesting changes in both the body and chassis making this car a formidable competitor in customized street form

The changes to the body include everything ranging from instrumentation to body design and they all fit very comfortably into the overall look of this historic car.

The engine is a warmed-over Ford 289 High Performance correct for the era and is very reliable.

Priced at \$145,000.00
