

Griffith Series 400 For Sale ***400-5-031***

Griffith chassis # 400-5-031 is a very beautiful Griffith. The chassis number and car have been authenticated in the official Griffith Registry.

The owner of this very rare Griffith brought the entire vehicle through an extensive restoration. It has garnered several First In Class awards for the extreme detail that it has been pampered with and it is looking for a new home.

One of only 59 Series 400 models, this Griffith, based on the TVR Vixen body design, was meticulously detailed and brought back to a better-than-new condition.

This spectacular Griffith has been shown at many of the annual Gathering of Griffiths and TVRs at Mid-Ohio Sports Car Vintage Grand Prix and was featured as the fine example of the Griffith models in attendance.

The engine is a fully restored Ford 289 High Performance correct for the era and is very reliable.

Priced at \$135,000.00
